Item	Program Area	Number
Graphtec Plotter- Plotter is from the early 2000's. It does not function, will not function on any of our current technology and is not worth repairing.	Tech Ed.	1
Ammco Brake Lathe- lathe is in need of some parts being replaced. In addition we rarely use the tool as most instances brake rotors are being replaced (rather than resurfaced). This item will be offered to the Colchester Town Garage before being disposed of.	Tech Ed.	1

Band uniforms - They are approximately 30-40 years old and have not been cleaned in many years due to not being worn. Bacon Academy no longer has a field marching band so the uniforms have not been used in many years.	Band	multiple
